.....

The Community Council of Staffordshire have reported that a merger between the CCS and Support Staffordshire was not the best option for the successful deployment of the CCS activities. Consequently CCS will be investigating other options for the deployment of its activities in order to facilitate closure of CCS on 21st August, 2018.

.....

Kier on behalf of Highways England have informed us that there will be a weekend closure of the M6 between Junction 13 and 15 and a diversion will be put in place in order to upgrade the M6 to a “smart motorway”. When a date has been decided, we will be informed.
