RECORDING OF PARISH COUNCIL MEETINGS

Before the meeting begins, Cllrs are asked to note the provisions of the Filming of Meetings (ref “*The Openness of Local Government Bodies Regulations 2014*”) It is now permitted for meetings to be recorded or filmed without prior permission being sought apart from confidential business. I would, therefore, remind members that they should avoid saying anything which could be slanderous. I would also point out that while the council and its officers may be filmed or recorded, that does not apply to filming or recording of members of the public for their permission must be sought first. Any filming or recording must not be disruptive to the business of the meeting.
