

# Haughton Parish Council Social Media Policy

## **Introduction**

The use of digital and social media now has a clear and compelling impact on all areas of local government enabling better and more direct contact between the Parish Council, the people and businesses it serves and the agencies that it works with.

This Social Media Policy aims to describe how the Parish Council will use social media to improve and expand the ways in which it communicates internally, with its local residents, local businesses and the various government (local and central) agencies that it deals with.

Social media provide alternative channels (to written correspondence, telephone and face to face conversation) for the Parish Council to inform and respond to questions and queries raised by people who live in, work in and visit Haughton parish. It also enables the Parish Council to deal more efficiently with the various agencies (e.g. the surrounding parishes, district council and the county council) that deliver services to local people.

## **The Social Media Policy**

Use of digital and social media will form an integral part of how Haughton Parish Council delivers its services in a way that improves the communications both within the Parish Council and between the Parish Council and the people businesses and agencies it works with and serves.

The Parish Council has a corporate presence on the web and an e-Mail channel which it uses to communicate with people who live in, work in and visit Haughton parish.

The Parish Council will always try to use the most effective channel for its communications. We may ask those who contact us for their preferred channel of communication when we deal with them.

Over time the Parish Council may add to the channels of communication that it uses as it seeks to improve and expand the services it delivers. When these changes occur this Social Media Policy will be updated to reflect the new arrangements.

## **Channels and responsibilities**

### **Parish Council website**

The Parish Council will maintain one web site

<http://haughtonpc-staffs.org.uk>

The Clerk to the Parish Council is responsible for publishing content to the web site.

The Chair of the Parish Council is responsible for approving content on the web site prior to its publication.

Where the Chair of the Parish Council is unavailable the Vice Chair of the Parish Council will deputise.

Where necessary, we may direct those contacting us to our website to see the required information, or we may forward their question to one of our Parish Councillors for consideration and response.

We may not respond to every comment we receive particularly if we are experiencing a heavy workload.

### **Parish Council e-Mail channel**

Our e-Mail account is monitored mainly during office hours, Monday to Friday, and we aim to reply to all questions sent as soon as we can and within 5 working days.

The Parish Council will maintain one e-Mail address, currently it is, [clerk@haughtonpc-staffs.or.uk](mailto:clerk@haughtonpc-staffs.or.uk)

The Clerk to the Parish Council is responsible for dealing with e-Mail received and passing it on to the relevant Councillor or external agency to deal with.

The recognised procedure for the sending of e-Mails from the Parish Council to local residents, businesses and organisations is that they will be sent by the Clerk to the Parish Council. Where parish councillors need to communicate with local residents, businesses and organisations they should, preferably, keep to the recognised procedure by sending their e-Mail to the Clerk to the Parish Council. Where for reasons of expediency this is not practical the e-Mail concerned must be copied to the Clerk to the Parish Council.

This procedure was adopted to ensure that a complete and proper record of all correspondence is kept.
